

Person Centered Care... Person Centered Employment...

MISSION STATEMENT

Canton Nursing & Rehabilitation Center will strive to deliver the highest quality of life, health, and rehabilitation services to our community population. We promote a compassionate, home like setting while rendering care for both our long-term population and our short-term, sub-acute rehabilitation residents. At Canton Nursing & Rehab, you will find:

Compassion, Accountability... Home...

It is the mission of Canton Nursing & Rehabilitation Center to be the best at what we do. What we do is care for human beings... RESIDENTS and EMPLOYEES. At CNRC we have:

ONE AGENDA

TWO MISSIONS

PERSON CENTERED CARE

- Our compassion for our residents shall be unquestionable
- Our standard of care will be higher than what is expected
- No care decisions will be based on profit
- We will take the time to get to know our residents
- We will listen
- We will care
- We will act
- We will always be conscious of why we are here
- We will make a difference

PERSON CENTERED EMPLOYMENT

- Each of us will be held accountable to our actions and to our coworkers
- Each of us will hold ourselves and each other to the highest of standards
- Our treatment of our fellow employees will be courteous, graceful, and beyond reproach
- We will always say “Please” “Thank You” “You’re Welcome” and/or “My Pleasure” when dealing with each other, our residents, or our visitors.
- We will offer our employees a voice along with a fair pay rate and education opportunities in a supportive environment
- Grievances will be settled with dignity for all according to what is in the best interest of CNRC
- Everyone will be heard
- Everyone will be treated fairly
- No one will be dismissed out of hand
